

2022 Beginners Beekeeping Course

Are you interested in beekeeping but have never done it before? Have you started raising honey bees and want to learn more? Perhaps you have been raising honey bees for a few years and just want some refresher techniques. If so, then the Montgomery County Beginners Beekeeping Course is just the right thing for you! It offers classes that are timely to your seasonal beekeeping needs with a hands-on session in the apiary followed by lessons full of beekeeping insight and information in a classroom.

WHEN: The course consists of 8 classes from February to September. March to September there will be hands on activities in the apiary start at 6:00pm followed by classroom activities starting at 7:00pm. Please note - the first class will be entirely in the classroom so no veil or equipment is needed. It begins at 6:00pm in the 4-H Center. After the first class veils will be mandatory at the apiary. Anyone who does not have a veil will not be permitted near the hives.

WHERE: The Montgomery County 4-H Center, Route 113, Creamery, PA.

COST: A *single* student receives membership to the Montgomery County Beekeepers Association, one ticket to our fabulous summer picnic, educational materials, and eight great classes with hands on apiary experience for only \$120.

The “*couples*” rate is for two adults living at the same address and includes all of the above plus an additional picnic ticket for a total fee of \$200.

Class size is limited, and enrollment will be allotted on a first to register-first enrolled basis. **Do not expect to walk in and be seated.**

CONTACT: For more information check out our website at www.montcopabees.org where you can register too.
